	XXL 1/4	38	39.5	51.5	10	39

Please note:-
Dimension A is always taken from the place where the hard part of the hip bone contacts the seat and **not the narrowest point**. The narrow point does not reflect a dimension which is critical to fitting. The narrow point will vary from between 8 mm to 12 mm smaller than the critical dimension A.

All dimensions are in centimeters

The seats highlighted in red text are made by our high quality manufacturing process

Tillett Racing Seats, Styles Close, Sittingbourne
Kent, ME10 3BF, England.
